## CFDR First Annual Golf Challenge

The day following the Canadian Open Golf Tournament, Monday September 9, all golfers will want to be out on the golf course trying those amazing shots they awed at during the tournament. The Canadian Foundation for Dietetic Research has booked this date for its first Golf Challenge and Fundraising event!

We have chosen to hold this inaugural event at the Royal Ashburn Golf Course where the greens will be in superb condition in preparation for the CPGA Qualifying School, for Tiger Wood hopefuls, scheduled to begin the following Monday. Equally as important, as the location and the date, to the success of this Challenge will be your participation. You and your company will soon receive a registration form so sign up early. In addition you will receive an invitation to be a partner in sponsoring different aspects of the Challenge. We are looking for 36 foursomes willing to accept this challenge.

The price will include the following:

- Green fees and shared golf cart
- Lunch and Dinner
- Use of driving range prior to golf
- Bag drop
- Closest to the Pin
- Longest Drive
- Putting contest

- Use of lockers, showers & towels
- Shotgun start
- Beat the pro

At the end of the day there will be great prizes and unique gifts for all participants.

Come out and try your skills. Challenge your ad agency, PR agency and any company with which you do business to bring a foursome and join us at what promises to be a not to be missed event. Price per foursome is \$2500.

To guarantee your team a spot contact Georgette Harris at 416-642-9310 email address [gharris@dietitians.ca](mailto:gharris@dietitians.ca) or for additional information contact Susan Morgan, Manager of the Foundation at 416-642-9307 or [smorgan\\_cfd\\_r@dietitians.ca](mailto:smorgan_cfd_r@dietitians.ca).

Mark this date in your calendar and come out to support the Foundation!

## **CFDR Presents Plaques to CFDR Donors**

CFDR recognizes the value that its donors bring to the Foundation. To acknowledge donor commitments to the recent fundraising campaign attractive specially designed plaques will be presented to donor companies within the next few weeks. These plaques are unique to each of the donor companies and will be presented to key representatives of your company. We look forward to meeting with you and leaving you with an acknowledgement of your commitment that will grace your company office.

## **Saint John, New Brunswick Hosts DC Annual Conference**

In June of this year the DC conference being held in Saint John, New Brunswick, providing a maritime flair to this annual event, will include research sessions prominently on its agenda. Sessions will be offered throughout the three days of sessions and CFDR Board members, representatives of donor companies and members of the Research Network provided input for the planning of these sessions.

The day will end on a very social note as we head down to a Maritime Kitchen Party, renowned in Atlantic Canada and derived from old family traditions. As a fundraiser for CFDR the evening will be full of fun activities such as a Silent Auction.

During the busy conference agenda we find time to acknowledge CFDR supporters and invite

them to a Reception in their honour. We look forward to seeing many of you at this event.

Prior to the conference, on Wednesday June 5, local DC members are hosting a Golf Tournament at the Ponderosie Golf Club, Kingston Peninsula. This 9-hole tournament with a silent auction and a buffet dinner is another CFDR fundraising event. We challenge those of you planning to be in Saint John to join us at this local event in support of the Foundation. Tee off time is 1 p.m. and the price of the tournament is \$45 for DC members and \$55 for non-DC members.

## **CFDR Board Announces Funding for 2003 Grant Competition**

The CFDR Board announced it is making \$110,000 available for the 2003 grant competition. The guidelines for this competition will be available later in the year.
