

Keeping In Touch

Spring 2003

CFDR Second Annual Golf Challenge

It's early April and we know that signs of spring should be here but as the snow continues to come it's hard to think about the warm summer air and the pleasure of being out on the golf course. Despite the weather, members of the CFDR golf planning team have started planning for the 2003 event. Under the guidance of Mike Hill, Chair of Fundraising they are putting together another stellar event that you won't want to miss. As we contact last year's participating companies we are still hearing enthusiastic comments about last year's event as they eagerly sign on again.

This year's event will again be held the day following the Canadian Open Golf Tournament, Monday September 8 so you can have one more chance to repeat that awesome shot that won the tournament. We will also be returning to the Royal Ashburn Golf Club where everything will be in tip top shape as they prepare for the CPGA Qualifying School scheduled to begin the following Monday.

The success of last year's tournament was also due to the response from companies who willingly came forward to take on the various sponsorship opportunities such as the skills competition as well as lunch and dinner. This year many have agreed to the same opportunities and in addition we welcome some new faces joining this list. To add to the excitement we

have secured a BMW Mini Cooper as our hole-in-one prize on the 4th hole. At the end of the day there will be great prizes and unique gifts for all participants.

Come out and try your skills. Again we challenge you to challenge your ad agency, PR agency and any company with which you do business to bring a foursome and join us at what promises to be another not to be missed event. The price per foursome is \$2500.

Equally as important to the success of this Challenge will be your participation. If you haven't yet received your registration form or you have a company with which you do business and you know them to be golf enthusiasts contact our office or visit our website at www.dietitians.ca/cfdr/what_we_do.htm

To guarantee your team a spot contact Georgette Harris at 416 642 0310 email address gharris@dietitians.ca or for additional information contact Susan Morgan, Manager of the Foundation at 416-642-9307 or smorgan_cfdr@dietitians.ca.

Mark this date, September 8th in your calendar and come out to support the Foundation and have fun!

Natrel receives 2002 CFDR Corporate Challenge Cup

Paul Chimenti and Terry Booth, from Natrel were recently presented with a cup to recognize their low score at the 2002 CFDR Corporate Golf Challenge. Mike Hill, Chair of Fundraising and Susan Morgan, Manager of the Foundation presented the cup.

Natrel were one of the first teams to sign up for the 2003 event, as they are eager to retain the cup.

Calgary to host this year's DC Annual Conference

At the end of May members of Dietitians of Canada will be gathering in Calgary for the annual conference. While there will be the opportunity for learning there will also be a time for socializing and this year's venue is the Destination Africa exhibit of the world-famous Calgary Zoo. As in the past CFDR will take the opportunity to hold a Silent Auction and this year, in addition to inviting conference sponsors to provide an item for the prize table, dietitians have also received an invitation to contribute their craft works. Beth Armour and Mary Sue Waisman have willingly agreed to emcee the evening to ensure the bidding is fast and furious.

During the busy conference agenda we find time to acknowledge CFDR supporters and we hope that many of you will join members of the CFDR and DC Boards of Directors at a Reception. We look forward to seeing many of you at this event.

Prior to the conference, on Wednesday May 28, local DC members are hosting a Golf Tournament at the Heather Glen Golf club. DC Board members traditionally participate in this event. We challenge those of you planning to be in Calgary to join us at this local event in support of the Foundation.

This 9-hole team-based, best-ball tournament will be followed by a buffet dinner featuring Alberta roast beef. Registration is at 5 p.m. and the cost of the tournament is \$55 and includes golf, dinner and a gift. Late breaking news tells us that Gerry Kasten, past Chair of DC, is donating his services as a caddy to the highest bidding team. His services as a caddy will include providing the winning team with hors d'oeuvres and champagne as you work your way through the nine holes.
