**Original Work \*** This field requires confirmation of the originality of the work described in the abstract. Abstracts must not have been presented and/or published previously in association with a scientific or professional conference. Does this abstract represent original work that has not been published, submitted or accepted for publication elsewhere?

**Yes, I/we confirm that this abstract represents original work**

**Transfer of Copyright \*** This field requires acknowledgement of transfer of copyright. Abstracts presented at the conference will be posted to the CFDR website. CFDR owns the copyright for all materials included on its website. All authors are required to assign copyright of their published materials to CFDR. Assigning copyright to CFDR does not mean you cannot submit a full manuscript with similar content elsewhere. By assigning copyright you are providing CFDR with the right to publish your works on the CFDR website and anywhere else we might choose to publish and display it, including in electronic databases that have access to the CFDR website.

I/We confirm the transfer of copyright to CFDR

## Co-Authors Review and Notification \*

After selecting the submit button, you may add the names of Co-Authors and their email addresses. This allows each Co-Author to receive a system notification of submission. The system notification email will include your contact information and their login information. All Co-Authors have **Read only access** to the **entire submission**, unless you assign a Co- Author to be a presenter. Presenters have Read and Write access.

**Statement: I confirm that all Authors have reviewed this abstract and have consented to this submission. I further agree to provide the email addresses for all Co-Authors in the next step of the submission process so that they may receive the system notification of submission.**
